Bangalore.

Sir,

I have the honour to inform you that M/s The Crompton Engineering Co. (Madras) Ltd. who have been awarded the work of electrification of the R.D F School at Bangalore experience a lot of inconvenience in taking delivery of goods from Railway Station and taking them to the workshop due to Octroi and Toll restrictions. Because of these restrictions much valuable time is being lost. The materials are urgently required for the construction of the R.D F School, Bangalore, and, as such, I request that articles addressed to M/s The Crompton Engineering Co (Madras) Ltd Bangalore may be permitted to be moved out of Municipal limits without payment of octroi and toll charges.

The articles will be taken delivery of by Mr. Ramayya of Avenue Road, Agent of the Company.
